Minutes of Assurance Call of 4-Sep-2014

The Sept. 2014 Assurance Call was a webinar on
"Successful Security Practices: Counting Failed Login Attempts."

See links here:.

Thanks to Brett Bieber and Benn Oshrin, and to Jacob Farmer (moderator), for the excellent Sept. 3 webinar on

"Successful Security Practices: Counting Failed Login Attempts."

The Adobe Connect recording is available:

http://internet2.adobeconnect.com/p1ffxp9ud7j/

In addition there are links to the webinar and the slide deck from the Assurance wiki (see the header "Webinars and Presentations" in the Community Resources section) :
