Why use Shibboleth

- Presentations
 - ° NASIG 2008
 - O ALA Midwinter 2008
 - o CNI Winter 2007
 - o Internet2 Membership Meeting, Autumn 2007
- White Papers
 - Library reasons for using shibboleth
 - o Provide information, from the library perspective, on how to talk with central IT about library advantages to adopting Shibboleth and federating.
 - o links to resources to give to their IT departments that illustrate benefits, outside of the library, why a Shib-enabled campus is good.

Implementing Shibboleth at your institution

- Shibboleth Web site
- EDUCAUSE Identify Management mailing list particularly those that have not implemented Shibboleth at their institutions and need the campuslevel perspective. From this conversation, EDUCAUSE appears to be the best source of "campus-wide" implementation information

Joining a federation

- · Provide information on how to federate with a vendor/service provider
- InCommon

Using Shibboleth in your Library

- Shibboleth enabled Vendors (vendor contact information, Service Provider Shib log-in pages)
- EZProxyLibrary/Shibboleth Pilot Campus Examples
