Reasons for Not Joining Research & Scholarship Category

Recommendations

- Make R&S attribute support a requirement in Baseline Expectations
- InCommon should build a bigger tent
- Add more researchers to Internet2 and InCommon governance bodies
- Engage grant funding agencies

Recommendations

- Operate an InCommon IdP as a service
- Improve support for Service Providers
- Improve R&S documentation for IdPs and SPs
- Rethink InCommon's R&S outreach efforts
- Remove the legacy "InCommon-only" R&S Category
