START

1

Player logs into HuskyHunt website is presented with Information Security tip.

2

Player answers 1 or more questions based on previous security tip.

3

Once player answers the question correctly, THEY share the security tip on Facebook or Twitter to **earn points.**

4

Once they share the tip, they are given a clue to a location for the Scavenger Hunt.

5

Player figures out the clue and goes to the location where they will find a secureU poster with security tip posted and a QR code or URL.

6

Player enters information from secureU poster into the HuskyHunt website (accessible via mobile app) and shares again on Facebook or Twitter – **earning additional points.**
