Internet2 Health Network Initiative Workshop
Special Focus: FCC Rural Health Care Pilot Program

24 April 2008

This is a full-day workshop to bring together Rural Health Care Pilot Program (RHCPP) participants, and organizations that intend to participate in connecting the participants to the Internet2 Network. It will focus on the needs and opportunities that are presented by the FCC's recently announced Rural Health Care Pilot Program awards.

The latest version of the roster, as well as additional materials for the workshop can be found at:
