Grouper Deployment Guide Work

Grouper Deployment Guide

The Grouper Deployment Guide work is part of the TIER Program.

This work is led by Bill Thompson, Lafayette College.

The working group meets as a regular agenda item on the TIER Data Structure and API working group calls

Mailing list: https://lists.internet2.edu/sympa/info/tier-deploy-guide

Resources

- Consultation on TIER Grouper Deployment Guide (open March 17 - April 17, 2017)
