Consultation Period Open for OIDC Survey Working Group Report

The OpenID Connect Survey Working Group, chartered by the InCommon Technical Advisory Committee (TAC), recently conducted a study to understand the community's interest and use of OIDC/OAuth protocols. The survey also asked how InCommon and Internet2 may help campuses in the adoption of these protocols.

The results are in. The survey working group has compiled a report summarizing the survey findings and the working group's recommendations. You are invited to review the report and provide feedback. The deadline for comments is March 24, 2017.
