The InCommon Technical Advisory Committee (TAC) will present its draft 2017 work plan during this webinar, March 22, at 2 pm ET. The TAC provides recommendations related to the technical operation and management of InCommon. The work plan outlines the proposed technical priorities, particularly for the InCommon Federation.

This webinar is intended to gather community feedback on the work plan. This year's draft plan includes these topics (among others):

- Support for OAuth/OpenID Connect
- Improving IdP discovery (Discovery 2.0)
- Less restrictive attribute release policies
- Improve Service Provider onboarding processes

Please plan to join us to learn about the 2017 plans and provide feedback and suggestions.
