Day CAMPs at the EDUCAUSE Annual Meeting:

Getting Started with Identity Management

Getting Started with the InCommon Federation

Day CAMPs are designed for those considering joining the InCommon Federation and need to get up and running.

Day CAMP features technical and management information for higher education institutions looking to run an identity provider to access federated services. Attendees will:

- Discuss the value proposition
- Learn what it takes to begin
- Link up with consultants, services, and experienced colleagues
- Leave with concrete, practical information and a local action plan

Appropriate for any size school, the meeting offers IT managers and technical implementers the chance to learn more about how to federate through InCommon.
