

Day CAMP Program Details - Nov. 4-5 in Atlanta

Are you new to InCommon (or considering joining) and beginning to develop next steps? Consider attending Day CAMP: Getting Started with the InCommon Federation, November 4-5 in Atlanta, Georgia.

The meeting will feature sessions covering:

- The why and what of federations
- Federating your campus identity management system
- Participant Operating Practices
- Case studies from the field
- Walking through the process
- Developing your plan

The complete program details are available at the Day CAMP website (<https://spaces.at.internet2.edu/display/DayCAMP>).

Online registration is open at <http://events.internet2.edu/2010/fall-mm/registrationintro>. Please note that, while Day CAMP takes place immediately following the Internet2 Fall Member Meeting in Atlanta, registration and attendance are separate from that meeting. You do not need to be an Internet2 member nor do you have to attend the Fall Member Meeting to participate in Day CAMP. There is a separate registration fee.

Day CAMP is sponsored by the InCommon Federation in cooperation with Internet2.
