## Day CAMP: Getting Started with the InCommon Federation

**November 4-5, 2010**

**Atlanta, Georgia**

Are you thinking about joining the InCommon Federation, but want to know more about what's involved? Have you just become a participant and beginning to develop next steps? Consider attending the Day CAMP: Getting Started with the InCommon Federation.

The meeting will feature technical and management information for higher education institutions looking to run an identity provider to access federated services. Attendees will:

- Discuss the value proposition
- Learn what it takes to begin accessing federated services
- Link up with consultants, services, and experienced colleagues
- Leave with concrete, practical information and a local action plan

Appropriate for any size school, the meeting offers IT managers and technical implementers the chance to learn more about how to federate through InCommon.
