Advanced CAMP: Scaling Secure Collaboration

Welcome to the Advanced CAMP Wiki. This site will contain resources for the meeting.

Workshop Notes

Scenarios

To give the workshop additional grounding, several more or less actual scenarios are briefly depicted in this section. CAMP participants are encouraged to contribute their own to the collection.

Meeting Logistics and Things to Do in and near Portland

Never been to Portland? This space has information on restaurants, activities, and fun stuff to do. It also includes hotel and travel information from the EDUCAUSE website.

Program Committee

Collaboration space for use of the program committee.
