

# CAMP 2022

## Welcome to CAMP 2022 - Dec. 5-9, 2022

**What is CAMP?** The acronym means Campus Architecture and Middleware Planning. CAMP has come to mean the series of track sessions that include case studies, organizations' innovations in identity management, best practices, and other presentations that help move the community forward.

Looking for the [2021 Advance CAMP agenda and notes](#)?

Pricing information (includes all five days of programming)
