

# Feb. 18-20 Power Outage Will Affect Some Services

Internet2 and InCommon are tenants of the University of Michigan MACC Data Center, which will undergo a scheduled power outage from February 18--20, 2011.

Some InCommon and Internet2 services will be unavailable between 6:00 p.m., Friday, February 18, and 4:00 p.m. Sunday, February 20, 2011, US /Eastern (UTC-0400).

Please note that the Discovery Service and metadata service **WILL be available** during the outage - we will cut over to our spare hot server.

Not available: InCommon site administration tools, mailing list distribution, and online meeting registration are among the services that will not be available.

Some limitations: The wiki is among services that will have some limitations.

Please see <http://www.internet2.edu/outage/> for more information, and regular status reports throughout the outage.
