

CAMP Registration Open - Hot Topics in IdM and Federated IdM

InCommon CAMP: Hot Topics in Identity and Federated Identity Management

Columbus, Ohio * June 21-23, 2011 * www.incommon.org/camp

REGISTRATION is open for the InCommon CAMP: Hot Topics in Identity and Federated Identity Management, June 21-23, 2011, in Columbus, Ohio.

Looking for concrete solutions to your most pressing identity-related challenges? Want to know more about the hot topics in federated identity today? Come to CAMP: Hot Topics in Identity and Federated Identity Management and learn more about solutions being implemented across higher education and partner organizations.

LEARN about management and technical practices and tips on:

- Community Practices with Affiliate and Guest Systems
- Governance and Policy for Identity and Access Management
- Update to InCommon's Identity Assurance Profiles
- Recommended Practices for Federating in InCommon
- Service Providers: Bringing New Customers on Board

WHO SHOULD ATTEND: IT management, identity and service architects and implementers, project managers, security professionals, corporate and service partners, and IT policy administrators.

REGISTER BY MAY 31 to save money with early-bird rates and to ensure you get a room in the hotel block: <https://spaces.at.internet2.edu/display/CAMPJune2011>

FOR THOSE NEW TO FEDERATED IDENTITY, consider attending the pre-meeting seminar, "The Big Picture: Introduction to Federated Identity Management," to learn what it is and how it fits with your identity and access management infrastructure.

RESOURCES AND OPPORTUNITIES for learning more about federated identity can be found on the InCommon Federation site: www.incommon.org

CAMP SPONSORS

This CAMP is sponsored by the InCommon Federation in cooperation with Internet2, EDUCAUSE and OARnet.
