

InCommon and Middleware at the Spring Member Meeting

Planning to attend the Internet2 2011 Spring Member Meeting, April 18-20, in Arlington, Virginia? Both the Focus on Federation and the Middleware tracks have full schedules from which you can choose.

InCommon will again hold two community forums, a technical forum on Monday (April 18) at 1:15 p.m., and a policy forum on Tuesday (April 19) at 8:45 a.m.

Other sessions of interest to InCommon participants include:

- Identity: Now a Major Motion Picture - R.L. "Bob" Morgan's look at the state of affairs in identity and access management. (Monday at 3 p.m.)
- InCommon Identity Assurance Profiles - an update on Bronze and Silver (Monday at 4:30 p.m.)
- The Emerging Infrastructure of Identity and Federation (Tuesday at 1:15 p.m.)
- InCommon Certificate Service: Experiences from Deployers (Tuesday at 3 p.m.)

You can see the [full Focus on Federation and Middleware schedule](#) on the Spring Member Meeting program web page.

For those not attending in person, the InCommon Policy Forum and the Certificate Service session will both be [available via Netcast](#).
