Subscribe to the CIPHER Identity Registries list at <https://lists.internet2.edu/sympa/subscribe/cifer-registries>

## Team Charge/Purpose:

1. Come up with a plan to move forward of the current gaps in identity registries, aka person registries.
2. Look at options for developing a single registry that could be open and used by various institutions/organizations.
3. Move forward to close the gaps by developing a registry or registries.
