

"Federated Identity" Topic of Market Research Night at EDUCAUSE

Two InCommon affiliates, AegisUSA and Unicon, are holding a Market Research Night session at the 2011 EDUCAUSE Annual Conference in Philadelphia. The session takes place Wednesday, October 19, 2011, at 5:30 p.m., in meeting room 115C.

The session, "Federated Identity: A Discussion of Value, Challenges, and the Future," will feature a round-table discussion with Oleg Chaikosvsky of Aegis USA, Andrew Petro and Bill Thompson of Unicon, and Ann West of InCommon. The speakers will identify the facts, perceptions, and attitudes regarding federated identity and its impact on higher education.

AegisUSA and Unicon will prepare a report, based on the information gathered at the session, which will be compiled and distributed to all registered session attendees. Details are available at <http://www.educause.edu/E2011/Program/MTG27>
