Minutes Dec 15 2011 ITANA-SOA

Present: Scott, Glenn, Leo

Minutes

A discussion of a "straw-man" definition of SOA that Scott is putting together: SOA straw man definitions

Glenn shared his review of SOAP-REST (which is now attached to our resources page): SOA resources

Action items:

1. Review Scott's definitions with the group on January 11.
2. Scott is going to reach out to:
    a. Marina (UC system PeopleSoft integration)
    b. Jonathan Mott BYU for learning technologies integration
3. Leo is going to reach out to the Sakai community (Chuck Severance?)
