## DISCUSSION

GlobusWORLD 2012

<https://www.globusonline.org/events/globusworld-2012/>

- Ken attended GlobusWorld2012 at Argonne National Lab, April 10-12
- Globus Collaborate will have a regular and a premium version.
- They are planning a release around end of 2012.
- Enrollment was discussed and Ken shared the enrollment flowchart
- Ken pointed people to the domestication wiki and there was interest in that.
- It's important to talk about how to maintain the domestication wiki going forward
- The SURFnet team has plans to update it soon
- There is interest in Group APIs and in how CMPs can work together
- Ken had discussion around NSF-Funded Dark Energy Survey
- They may have potential interest in a service instance of a collaboration platform
- We'll know more after SMM if a CManage service instance looks like a priority
