### DISCUSSION

#### Upcoming Meetings

Heather reported:

- Scott and Benn are meeting in Milwaukee next week to engage in development work
- There also be a Face-to-Face w key LIGO staff in early March
- A couple of people will most likely be attending the Federated IdM meeting in Zurich in March 20-21 as part of the VAMP grant <http://indico.psi.ch/conferenceDisplay.py?ovw=True&confid=2230>

Ken reported:

Planning is ongoing for a sequence of identity meetings in the fall, possibly to include elements such as:

- ACAMP
- REFEDs
- InCommon Participants meeting
- An event with vendors from the valley
- The annual member meeting in April will focus on C level people
- Aimed at high level such as CIOs (Chief Integration Officers)
- Comaange, as an integration showcase, will be appropriate to discuss at the Annual Member Meeting
- Heather has submitted the Cmanage working group request for Annual Member Meeting
- There will be more discussion on the international collab call at start of February
- The Annual meeting will focus on cloud services
- Track session on COCOA might make sense

#### Cmanage R&S Application

Heather reported that the Cmanage R&S application will be resubmitted to InCommon. There was concern with the word "demo," so that word will be changed.

### IPLANT

Heather reported there is an upcoming call with IPLANT soon to discuss grant issues.
