

Speakers Bureau

Last reviewed: May 2018

Information Security Awareness Speakers Bureau

If your group or institution would be interested in a FREE presentation utilizing our Information Security Awareness Speakers Bureau for your next meeting or campus event, these are the experts who have expressed interest in providing brief presentations on any of the following topics. Please feel free to contact the speaker(s) of your choice directly. For assistance in contacting a speaker, e-mail the Higher Education Information Security Council at security-council@educause.edu.

In addition to the list of available speakers, we've provided a [basic set of guidelines for a good presentation](#) below.

Note: Please remember that travel expenses may be the responsibility of an institution inviting any out-of-town speaker(s). It is up to the institution and speaker(s) to negotiate any travel terms.

EDUCAUSE Speaker Concierge Tools

Whether you're preparing a proposal, designing and delivering your session, deconstructing evaluations, or promoting your work for colleagues and management, the [EDUCAUSE Presenter Concierge](#) has a tool to help you every step of the way.

- [Guide to Writing a Successful Conference Proposal](#)

- [Guide to Designing a Great Presentation](#)
- [Deliver an Engaging Presentation](#)
- [Facilitate Effective Discussions](#)
- [Leverage Your Professional Engagement](#)

Basic Guidelines for a Good Presentation

The following tips are suggestions only and they are not intended to change your approach if you already have a proven methodology to prepare for presentations.

- Start early and plan ahead. Discuss and agree on target dates with the representative of the audience institution. (Suggested lead time is three months)
- Secure endorsement/approval from your and the audience institution's management. (Suggested lead time is two months)
- Confirm match between proposed presentation and intended audience. (Suggested lead time is one month)
- Agree on any logistical and/or financial arrangements well in advance. (Suggested lead time is two months)
- Ask the audience institution representative to advertise presentation with sufficient lead time to confirm minimum participation. (Suggested lead time is six weeks)
- Submit a half page executive summary well in advance. (Suggested lead time is two months)
- Employ good practices for PowerPoint. The EDUCAUSE Speaker Concierge offers tips and resources for [designing an effective presentation](#).
- Submit preview of PowerPoint or other material to the audience institution representative in advance. (Suggested lead time is two weeks)
- Use appropriate presentation format (presentation, panel, forum) & leave time for questions and discussion.
- Debrief and provide feedback to help improve this program.
