

# Spring 2015 Washington, D.C.

## 21st Collaboration SIG, April 29, 2015 Washington, D.C.

**Moderator:** Gurcharan Khanna, Brown University

**Purpose:**

Why aren't advanced real-time collaboration tools being used more widely? What are some examples of projects that are successfully using them? What are the advanced technologies that warrant our experimentation and pilot use? Come share your thoughts and experiences and listen to ours as we try to create a community of users through this Special Interest Group devoted to promoting the successful adoption of advanced collaboration tools.

**Presentations:**
