

# Certificate Service Survey Open

InCommon would like your opinion! We have created a survey about the InCommon Certificate Service and we are interested in your feedback.

The InCommon Certificate Service is unique in that it was designed by higher education for higher-education and, as such, strives to provide value to you – our higher-ed participants – unlike any other similar service. It has been in operation for just over 5 years and we wanted to take this opportunity to solicit your feedback about what the service should look like in the future.

While most of the questions are about use of the Certificate Service, there are also a few questions for non-subscribers, so if you are one of those, we are interested in your feedback as well.

So, please take a few minutes and let us know what you think about the InCommon Certificate Service. It is a brief survey and will only take a few minutes of your time.

The survey is located here: <https://www.surveymonkey.com/r/InCommon-certs> and will be open until the end of the day on Sunday, December 6<sup>th</sup>. A reminder email will also be sent on Monday, November 30.
